Shipp-Book 3,

January 1924.

23rd December, 1924.

Dear Mr. Jorgensen,

With reference to your first entry report No. 620 on the motor vessel "EPOCA", I am not clear as to the manner in which you have calculated the first entry fees for Special Survey.

With a gross tonnage of 1025, the Special Survey fee works out at £102:10:0 (or, say, Kr. 1865.5) as regards the hull, while on the machinery, with a NHP of 132, the Special Survey fee works out at £33 (or, say, Kr. 600).

As the amount charged in each case is less than the Rules prescribe, I shall be glad if you will kindly look into the matter and write to me on the subject.

Wishing you the Compliments of the Season, and with kind regards,

Yours faithfully,

G.W. Jorgensen, Esq.,

MALMO.
