7th October, 1932.

SABANG.

46. "OLIVEBANK". This vessel's class has been continued, without fresh record of survey, subject to indented keel plating being further examined at the next dry docking.

The contents of your letter of the 9th ultimo are noted, and in reply to the enquiry contained in the concluding paragraph I may say that the words printed in the heading of the report form No.8 "Last Report No..... Port....." are for the use of this Office only.

"CEDERIC". I duly received your letter of the 9th ultimo respecting this vessel and have to say that the contents have been carefully noted.

In the circumstances the Committee have given instructions for the vessel's class to be expunged from the Register Book with a Black Line, indicating that on account of reported defects she is no longer eligible to retain her class, and I have to confirm the cablegram which I sent you on the 4th instant, as per copy
