Dear Sirs,

We are duly in receipt of your esteemed letter of the 28th. inst., covering letter you have received from Lloyd's Register of Shipping which we return herewith.

In reply, kindly note we telephoned the Falmouth Office and not Plymouth, and Falmouth in turn communicated with London for instructions, and later advised us that an inspection would not be necessary.

This will, no doubt, satisfy the London office and we return the letter.

Yours faithfully,

For
