Lloyds Register of Shipping,
E. C. 3.

Sir,

We beg to inform you privately that we are
negotiating on behalf of Clients for the purchase of the
"GLADIATOR", which is on the market for sale.

We have to enquire whether, subject to this
vessel being placed in drydock for your examination of
bottom, tail-end-shaft, and steering gear, and subject to
completion of annual boiler survey, you would be prepared to
issue her a certificate of seaworthiness to load one cargo
of coals from this Country to a Mediterranean port, prior
to her passing her Special Survey.

Yours faithfully,

Wm. Brown
