Dear Sir,

S.S. "GLADIATOR"

We return the printed form you sent duly signed.
It is not really applicable to our steamer which is lying
at Fowey and is not insured. As Fowey is an inconvenient
place to put a steamer through a special survey, we have
added some words to cover the survey being performed at
some other nearby port, which we trust will be in order.

Yours truly,

Jas. G. Harrison
