Enclosure.

5th August, 1931

Dear Sirs,

With reference to the classification in the Society's Register Book of the steamer "GLADIATOR" I beg to acquaint you that the Committee have had before them at their meeting today a communication from the Society's Surveyors at Liverpool in which it is stated that this vessel is still laid up at Powey.

As you are no doubt aware the year of grace allowed for the completion of the 2nd Special Survey No. 1 expired at the end of last month, and I have to say that in the circumstances the Committee can only agree to the vessel's class in the Register Book remaining undisturbed for the present on the conditions set forth on the enclosed form of undertaking which I shall be glad if you will kindly sign and return to this Office. A duplicate copy of the form is also enclosed for your files.

I am, Dear Sirs,

Yours faithfully,
