ANS'D

29th April 1915.

S.

Sir,

In reply to your classing letter of the 16th April with reference to the steamer "J.A. MOFFETT", Report 2156, we note your remarks with reference to amending approved plans which will receive the necessary attention in future cases.

We enclose herewith certificate for steel wire hawser supplied in lieu of stream chain, also, towing hawser,

I have to state that spare bilge pump valves were placed on board as required by Rule, and regret that this was not specifically stated in the report.

I am, Sir,

Your obedient Servant,

A. Scott, Esqr.,
Secretary to Lloyd's Register,
LONDON, E.C.
