The public are recommended to hand in their Telegrams at the Company's Stations, where free receipts are given for the amounts charged.

Telegrams for this Company's Cables are also received at all Post Office Telegraph Stations; but in order to insure transmission by the Western Union Telegraph-Cable System, the forms upon which Telegrams are written should be marked "Via Western Union," "Via Anglo" or "Via Direct." This indication is signalled free of charge.

Cable addresses are registered free of charge.

All important Telegrams should be repeated, for which an additional quarter rate is charged.
