The Third Special Survey No.1 became due on this vessel: 12,31, and the Boiler Survey: 1,32. The Special Survey has been partly held on the machinery.

Action has been deferred, the vessel having been laid up at Appledore since the beginning of March last.

In reply to enquiry the Cardiff Surveyors now forward a copy of a letter they have received from the Owners stating that they have now made arrangements to put the vessel through Board of Trade Survey.

The Classing Committee had the case before them on Friday, 19th instant, when they decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
