12th. August 1932.

Dear Sirs,

Reverting to our letter dated the 5th. March last respecting the Boiler Survey and 3rd. Special Survey No.1, on the Steamer "IVYTOWN", we understand from an outside source that this vessel is being repaired at Appledore under the survey of the Board of Trade Surveyor.

As we have not been advised by you of this, we shall be glad to know as soon as possible for the information of the Committee, what arrangements you are making with respect to the retention of the vessel's class with this Society.

We are, Dear Sirs,

Yours faithfully,

The Surveyors,
