The Second Special Survey No.3, which became due on this trawler in August last, has been partly held.

In his report of the survey so far as carried out the Milford Haven Surveyor states that, for reasons of economy, the Owners have now decided to withdraw the vessel from class.

The Classing Committee had the case before them on Tuesday, 12th instant, when they decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

14th July, 1932.
