Survey Due

2nd Special Survey No.3 due 8.31.

Screwshaft Survey due 1.32.

A proposal of the Owners to postpone the above Special Survey until after Easter has been agreed to by the Committee.

In reply to enquiry relative to the survey of the screwshaft the Milford Haven Surveyor states that the vessel will probably be placed on the slipway for cleaning purposes the next time she is in dock, and that this inspection will take place then.
