12th May, 1932.

Dear Sirs,

I duly received your memorandum of the 26th ult. respecting the steamer "MARCHIONESS OF BUTE", and in view of the fact that this vessel is still laid up, I have to say that the Committee have deferred further consideration of the case for the present, subject to the Screwshaft Survey and a complete Boiler Survey being carried out before she is again placed in commission.

I shall be glad if you will inform the Owners accordingly and obtain from them, and forward to this Office, a letter intimating that they will have this done.

You will also be so good as to inform the Owners that the Committee are agreeable to the 2nd Special Survey No.3 being postponed for the present.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

CARDIFF.
