Dear Sir,

With reference to your letter of the 2nd instant relative to the Steam Trawler "Minicelle" the enclosed letter was this day received from the Owners, they now state that they are leaving the question of retaining of this vessel's class in the Society's Register Book in abeyance for the time being.

I have been informed from an outside source, that the vessel has been in dry dock & the Screw Shaft was drawn in, in view of this, I think it as well, that further correspondence should be sent direct to the Owners.

I am Dear Sir,

Yours faithfully,
A. E. FarminerThe Secretary,
