Enclosures.

29th June, 1932.

Dear Sir,

With reference to the classification in this Society's Register Book of the steam trawler "MURIELLE", I beg to acquaint you that the Committee have had this case under their consideration in view of the fact that according to a communication received from the Society's Surveyor at Ipswich this vessel is still laid up at Lowestoft.

As you are aware the year of grace allowed by the Society's Rules for the Special Survey No.3 will shortly expire and I have to say that, in the circumstances, the Committee can only agree to her class in the Register Book remaining undisturbed for the present on the conditions set forth on the enclosed form, which I shall be obliged if you will sign and return to this Office in due course. A duplicate copy of the form is also enclosed for your filing purposes.

I am, Dear Sir,

Yours faithfully,

E. J. Hellings, Esq.,
The Docks,
MILFORD HAVEN.
