Special Survey No.3 due 6.31.

A proposal of the Owner to postpone the above survey for a few months was agreed to by the Committee in July last.

In reply to enquiry the Ipswich Surveyor states he has called upon Messrs. Peacock & Co., of Lowestoft, who are representing the Owner for the sale of the vessel, and was given to understand that she was put up for auction, but no bid was made.

The vessel is now laid up, and Messrs. Peacock & Co., have promised to advise the Ipswich Surveyor in the event of her being sold.
