17th October 1924.

Dear Sir,

I am in receipt of your letter of the 14th instant regarding the alterations proposed to be carried out in the Steamer "KORFIA", and in reply thereto I have to state that if the fore and after peaks are to be used as tanks, efficient wash plates must be fitted in them.

There will be no objection to the boat deck beams being removed as proposed by the Owners, provided you satisfy yourself regarding the construction of the adjacent casings.

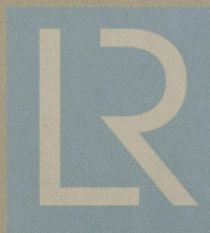

I am, Dear Sir,

Yours faithfully,

Secretary.

N. Geniram, Esq.,

NAPLES.
