

22 JUL 1932

s. s. "KOEPIA". London 97727.

The boiler survey became due in 5,32.

The Naples Surveyor now forwards a letter, and translation, from the Owner in which he states that as this vessel will probably be demolished, he does not consider it to be of use to retain the vessel's classification with this Society, as she is also classed with the Register Italiano.

IT IS SUBMITTED the vessel's class be withdrawn from the Register Book, and three dots (...) inserted in lieu, indicating withdrawal of class at Owners' request.

Withdraw class.
