1st November, 1932.

Dear Sir,

With reference to the classification in the Society's Register Book of the steam trawler "WORSLEY" which vessel it is understood is now your property, I have to acquaint you that in accordance with the Society's Rules this vessel became due for 2nd Special Survey No.2 and Boiler Survey at the end of September and October 1931 respectively, and these inspections require to be held before the vessel is again employed.

In the circumstances I shall be obliged if you will kindly let me know, for the information of the Committee, what steps you propose taking to have these surveys carried out.

I am, Dear Sir,

Yours faithfully,

C. Dobson, Esq.,

GRIMSBY.

pro Secretary.
