

Lloyd's Register of Shipping,

3, Steinhoeft,

Hamburg, 23rd January, 1932.

Dear Sir,

With reference to your request for a report of the survey so far as held on the steamer "IRMA SCHINDLER" I have to advise you that this vessel is still laid up at this Port and on taking up the matter with the Owner I am informed that they are still negotiating in reference to the sale of the ship and until a decision on the matter is come to they do not wish to undertake any work in connection with the outstanding survey items. The Owners have been informed as to the extent of the repairs to be carried out but no work has been put in hand and in the circumstances a report on the survey cannot at the present time be submitted.

I am, Dear Sir,

Yours faithfully

A. Chinklin

The Secretary,

With pleasure do I thank you for your kind letter and for sending me a copy of the "Handbuch der Deutschen Schifffahrt". I have had a great deal of time to go over it and I am very pleased with it. It is a valuable addition to my library and I hope it will be of great service to you. I am sending you a copy of the "Handbuch der Deutschen Schifffahrt" which I have just received from the publisher. It is a very good book and I hope you will find it useful.
