Survey Due

3rd Special Survey No.1 due 10,31.  
Boiler Survey due 12,31.

A proposal of the Owners to carry out the above Special Survey sometime within the year of grace has been agreed to by the Committee in view of the examination held on the vessel at Marseilles in October last.

In reply to enquiry relative to the Boiler Survey the Owners' London Agent writes:-

"For your guidance, this steamer is laid up at Piraeus indefinitely, and consequently, I will not advise my Owners to pass the survey now."

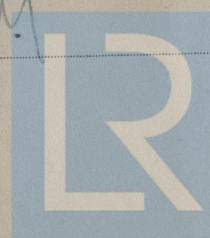

"Therefore, I hope that the Committee will consider this, and grant an extension pending final decision of the future employment of the ship, whence I will communicate with you again".
