The Special No. 2, which became due in December, 1931, has been partly held, and a complete it early in January last was agreed to by the Classing Committee.

In the case of the "JAPIX", the Special No. 1 became due in November, 1931, and its postponement was agreed to by the Classing Committee, provided it were completed not later than the end of December last.

Docking reports have now been received from the Society's Surveyors at Hamburg on each of these vessels, in which it is stated that they have been sold to Russia and will be classed with the Germanischer Lloyd.

The years of grace expired 12,32 and 11,32, respectively.

The cases were submitted to the Classing Committee on Friday, 17th instant, who, in the circumstances decided to give instructions for the character of each vessel to be changed from the Register Book with a Red Line indicating non-compliance with the Society's Rules, and the Docking Surveyors have been informed accordingly.

23rd February, 1933.
