22nd January, 1932.

Dear Sir,

I am in receipt of your letter of the 18th instant intimating that the steamers "JAPIX" and "MELITA" are laid up at Hamburg and that the Owners of these vessels desire to defer the carrying out of the Special Surveys No.2 until it is definitely known when they will be again placed in commission.

In reply I have to say that in the circumstances the Committee, who had the cases before them at their meeting to-day, are agreeable to the surveys in question being postponed for the present, and I shall be glad if you will inform the Owners accordingly.

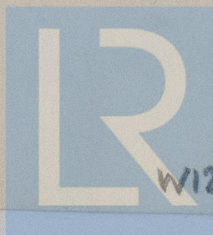

I am, Dear Sir,

Yours faithfully,

pro Secretary.

A. Chisholm, Esq.,

HAMBURG.
