Dear Sir,

In reply to the queries contained in your Classing letter of the 4th. instant, respecting Middlesbrough First Entry report No. 11751 on the steamer "E L D O N", I beg to acquaint you that the breadth of the quadruple laps of the sheer strake, and the spacing of the rivets in the butts of the strake below the raised quarter deck sheer strake and forecastle side plate are as required.

I am, Dear Sir,

Yours faithfully,

A. Fauley

The Secretary,
