

COPY.

Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

C.F.R.

Enclosure.

12th December, 1923.

Dear Sir,

I send herewith a copy of a letter, dated 7th December, which has been received from the Society's Surveyors at Middlesbrough, together with a copy of the letter advised therein, respecting the chain cables tested at your establishment (Tipton Certificate No.58041) and intended for the S.S.No.49 building by the Furness Ship-building Company.

As the circumstances are not fully understood in this Office, and as the certificate has been sent direct to your Establishment, I shall be glad if you will furnish me with any remarks or suggestions which you may think it well to offer upon the subject. If, with the information at your disposal, you find it practicable to forward direct to the Society's Surveyors at Middlesbrough an amended certificate in respect of the chain cable actually supplied to the S.S.No.49, it is desired that you will do so at once as the case is urgent.

I am, Dear Sir,
Yours faithfully,

A. Drysdale,
's Proving House,
TON, Staffs.

Assistant to the Secretary.
