S.S. NOS. 48 & 49. - MAST SUPPORTS.

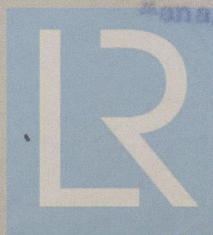

The Owners of the above vessels are taking exception
to the fore stays on the masts owing to them being a serious
obstacle when using the derricks and unloading coal cargoes
with the use of cranes.

We enclose plan showing mast supports as arranged and shall
be glad if you will wire us tomorrow if we are in order in
connection with the fore stays.

Yours faithfully,

For FURNESS SHIPBUILDING CO. LTD.
