Steel Trawler "CHIEFTAIN".

-----  
*LMIC*  
Outstanding fee for survey held at Liverpool  
on the 13th July, 1932, when one visit was  
paid..... £5:0:0.

At the time of the above survey the vessel was owned  
by The Robson Trawlers, Lim., of Fleetwood.

In February last, intimation was received to the effect  
that the vessel had been sold to the Transvaal Steam Trawling Co.,  
Lim., of Fleetwood, who stated that it was not their intention to  
retain the vessel in class.

The General Committee on the 23rd, confirmed the decision  
of the Classing Committee of the 17th February, to withdraw vessel's  
class and insert (...)

A letter has now been received from the late Owners in  
which it is stated :-

"I quite appreciate the fact that you have had certain  
"expenses in connection with the part of the survey completed,  
"and would like to point out that it is all loss to me.

" I will be pleased if you will consider the matter in this  
"light with a view to a very considerable reduction of, or  
"cancelling of the fee".

It is submitted for consideration whether in  
the circumstances a reduced fee of £2:10:0 might not be accepted  
in settlement in this case.

*or the entire  
fee be cancelled.*
