The Second Special Survey No. 3 became due  
on this trawler in June last.

In reply to enquiry the Secretary to the  
Liverpool Committee now forwards a letter from the new Owners'  
Managers stating that it is not their intention to submit the  
vessel for survey for the renewal of her class.

The Classing Committee had the case before them  
on Friday, the 17th instant, when in the circumstances they  
decided to give instructions for the vessel's character to  
be withdrawn from the Register Book and three dots (...)   
inserted in lieu thereof, indicating withdrawal of class at  
Owners request.
