Dear Sir,

"CITY of YORK"

Second special Survey No. 3.

In reply to your enquiry as to when it will suit us to comply with your requirements, as above, we regret to inform you that owing to the condition of the Industry at the moment, we are not prepared to incur the expense of this Survey.

This vessel has been laid up for a month and there is no immediate prospect of her sailing, this being the case we shall be pleased to hear as to what extension your Committee would be prepared to grant us in order to keep her in your Register.

Yours faithfully  
for Mason Trawlers Limited.
