The Boiler and Screwshaft Surveys became due on this vessel in January, 1933.

The Society's Surveyor at Bremen now forwards a letter he has received from the Owners stating that they have decided not to retain this vessel's classification in the Society's Register Book.

The Surveyor adds, in his covering letter, that he has spoken with the Director of the Company regarding this case, who has informed ^{him} that the Company have come to their decision only in order to reduce the classification expenses of this vessel, which is also classed with the Germanischer Lloyd.

The Classing Committee had the case before them on Tuesday, 31st ultimo, when they decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

2nd February, 1933.
