

Dear Sir,

W1218-0176

S.S. "ZEPPELIN"

The Amsterdam Surveyors state they are unable to obtain the midship section and profile of this vessel.

In the circumstances, it is not considered advisable to ask the Builders of the vessel for these plans.

It is further submitted that the Owners should be informed that plans are not available, and it is suggested that they might write the Builders and ask them if they will supply the plans desired.
