s.s. "ZEPPELIN"

In reply to enquiry to-day Mr. Veale stated this vessel is at Amsterdam being reconditioned and he expressed the opinion that the Orient Steam Navigation Co., Ltd. would be prepared to have her classed with this Society provided this could be done with little expense and inconvenience. All the plans available are in the possession of Mr. Walker, the Company's Naval Architect, who is in Amsterdam looking after the vessel, and Mr. Veale suggests the Society's Surveyors at Amsterdam should be communicated with so that they can make at once any examination of the vessel which is necessary in order to say what will be required to entitle her to reclassification.

A copy of the profile plan was handed me by Mr. Veale which document he would like returned in due course.
