Dear Mr. Mayne,

Re plans for Steamers "PRINZ LUDWIG" and  
"ZEPPELIN".

I regret that I am not in a position to obtain  
the desired plans for the above named vessels.

The only advice I can give in this matter is  
that the Owners approach the Norddeutscher Lloyd direct  
for such copies, cases are known where British Owners  
have purchased plans direct from German Builders.

An Owner must know himself what value copies  
of the original plans are to him and what price he is  
prepared to pay for them.

Yours faithfully,

Signed GEO. DYKES.
