ENCLOSURE.

12th March, 1920.

Dear Sir,

I beg to hand you herewith an account for the fees due for the survey of the Turbine Machinery for the U.S. "WAR CRAFT" (now named "ROANA"), Messrs. The Furness Shipbuilding Co's No.13 vessel.

As arranged with you the fees for the survey of the turbine engines and reduction gears are payable by your Department, and I shall be glad to be favoured with a remittance in settlement at your earliest convenience in view of the fact that the Owners are pressing for delivery of the classification certificates.

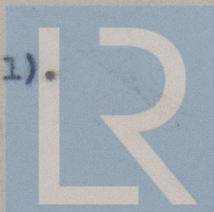

On hearing from you that payment will be made, instructions will be given for the certificates to be at once handed over to the Owners.

I am, Dear Sir,

Yours faithfully,

Secretary.
