S.S. "JAPIX" & "MELITA".

of the Special Survey No.2 has in each case expired, and the new Owners do not intend to carry out the surveys with a view to the maintenance of the vessels' classes with this Society, they have had no alternative but to give instructions for the vessels' classes to be expunged from the Register Book with a red line, indicating non-compliance with the Society's Rules.

I have to add that in view of the withdrawal of these vessels' classes their records of freeboard assigned by the Committee, together with the corresponding draught, will also be expunged, and the freeboard certificates are thereby cancelled and should be returned to this Office.

I shall be glad if you will inform the Owners accordingly, and let me know in due course how the Ownership of these vessels should now be recorded in the Register Book.
