Your ref: "M".

9th May, 1933.

Dear Sirs,

I have to acknowledge receipt of your letter of the 5th S. instant respecting the case of your steamer "SAMBODJA", and have to say that the same was read to the Committee at their Meeting today.

The Committee note that the condition of this vessel is now such that she is no longer required for your trade, and having regard to the fact that the 2nd Special Survey No.2 is now so long overdue and no part of the survey has been held, and that the vessel will not now be submitted to survey, the Committee have given instructions for her class to be expunged from the Society's Register Book with a red line indicating that, through non-compliance with the Society's Rules, she is no longer eligible to retain her class.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
