QUESTION.

ANSWER.

I shall be glad if you will ascertain and let me know what arrangements are proposed to be made to carry out the Boiler Survey which became due at the end of last month.

Date:— December 28th 1932

I have approached the Manager of this firm, regarding the survey in question, who informed me that they do not wish to continue this vessel's classification in Lloyd's Register, and promise to forward a letter to this office to that effect, which will be forwarded to you in due course.
