

SHANGHAI.

23rd July, 1930.

Messrs. Shanghai Steam Navigation Co.,

35, Jinkee Road,

SHANGHAI.

Dear Sirs,

S/S "CHANG KIANG".

As it is noted that the above vessel is now in the port of Shanghai, I shall be pleased to learn, before the vessel again leaves, what arrangements it is proposed to be made in regard to carrying out of the overdue Surveys in order to maintain the Vessel in its present class in Lloyd's Register Book?

Should the vessel sail without any definite arrangements being made for the Surveys to be held, it will be my duty to cable to the London Office full facts of the case for their consideration.

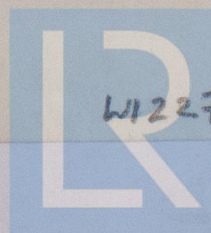

I am, Dear Sirs,

Yours faithfully,

(signed)

F. Brooke Smith

Surveyor to Lloyd's Register.
