

and besides being replacement of Anchors or chains is reported, the particulars should be clearly stated in the space provided on the back of this form. State also the dates and initials of any letters respecting this case.

In damage cases where the Surveyor has not made a special damage report he is required to state whether or not the vessel is seaworthy and now or never.

13 AUG 1930

S.S. "GREGORY ZINOVIEFF".

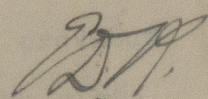

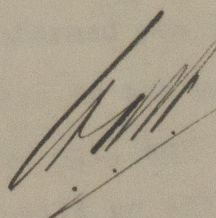

The screwshaft survey became due 1,30.

In reply to enquiry, the Owners' London Agents now write that this steamer is in the Far East, and they cannot state when and where the survey can be carried out. They have, however, information from the Owners that this survey will be effected by the Register of the U.S.S.R.

IT IS SUBMITTED that in the circumstances the class of this vessel might be withdrawn from the Register Book and three deta(...) inserted in lieu, indicating withdrawal of class at Owners' request.

Withdraw class.
