11th August, 1930.

Dear Sirs,

S.

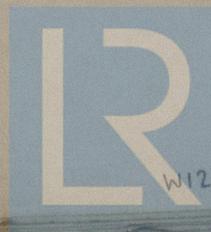

Reverting to your letter of the 15th July in which you informed me that the Owners of the steamer "GREGORY ZINOVIEFF" had advised you that the vessel is in the Far East and that the survey of the propeller shaft could be carried out by local Surveyors of the Register of the U.S.S.R., I beg to acquaint you that to entitle the vessel to retain her class in Lloyd's Register Book it is necessary for the survey in question to be held by one of the Surveyors to Lloyd's Register, and I shall be glad if you will let me know when, and at what port, arrangements will be made for this to be done.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
