thru 8.27

Survey Due Screw Shaft Survey due 1. 30

The Leningrad Surveyors wrote in February last that that the Baltic Head Office of the Sovtorgflot was then unable to make any definite arrangements for carrying out the above survey as the vessel was trading in the Far East. The Surveyors add that the vessel as expected to arrive at Leningrad in April or May.

The Owners' London Representatives now state that the vessel is in the Far East and they are communicating with the Far East Office in regard to the matter. They will advise this Office immediately they receive a reply.
