

Lloyd's Register of Shipping.

Port **LENINGRAD**

8th September 1927.

This is to Certify that I have

Starboard

Surveyed the 1 Boiler ~~and Machinery~~ of the s/s. "Gregory

Zinovieff" after temporary repairs to the furnaces had been effected,

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report stating that all recommendations made by me in connection therewith have been carried out to my satisfaction, and that I have

Recommended that the ~~recommended~~ vessel may proceed to Hull under a reduced Boiler pressure of 150 lbs., at which Port both furnaces of the above Boiler be renewed.-

~~Recommendation to the Register Book in the case of this vessel.~~

Attest

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book, or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
