

Second Hand Boiler 8' 6" x 8' 6" ex Steam Drifter "West Anglia".

IT IS SUBMITTED the Newcastle Surveyors be informed that, as a result of an enquiry, no plan of this boiler is available at the Board of Trade, nor has a record of its construction been obtained.

In the circumstances, it will be necessary for the Owners to produce evidence that the material of the boiler is open hearth steel of normal boiler quality, ~~and~~ ^{or} that the boiler has been built under the supervision of a competent authority. Further, it will be necessary for a plan of the boiler to be prepared, the scantlings verified by the Surveyors and the plan submitted to this office for approval.
