Dear Mr. Jacobs,

My father is not at the Office today, although

this is not by reason of illness, and in the circumstances I have opened your letter concerning the tugs at Shanghai which have been withdrawn from our class, and have read to him over the telephone the copy of the letter which you propose sending to Messrs. Jardine, Matheson & Co. Ltd.

He has asked me to let you know that, far from having any objection to the terms in which you have written, he considers that the letter is a very excellent one, and should be most useful in advancing the aims of Lloyd's Register; and he desires me to thank you very much indeed for the trouble you have taken in this matter.

At the same time I wish to acknowledge the safe receipt of the copies of our Shanghai Surveyor's correspondence which were returned with your letter in question.

Yours sincerely,

Ernest L. Jacobs, Esq.,
