Dear Mr. Scott,

I find that, through our Agents in Shanghai, this Company has been interested on the Tugs which were the subject of your correspondence, which I return herewith, with thanks. I also enclose copy of a letter which I propose sending to Shanghai. As you will see, I have 'borrowed' from your Surveyor's letter. If you have any objection to the terms in which I have written, kindly let me know early to-morrow morning before the letter goes to post.

Yours truly,

A. Scott Esq.,
