Dear Sir,

S/I "SAUCY"

With further reference to our letter of the 7th June relative to the Special Survey of the above tug, we would inform you that at a Meeting of the Board of Directors of this Company held yesterday afternoon this question was tabled for discussion, and it was finally recorded to allow this vessel, together with the tugs "ST. SAMPSON", "ST. DOMINIC" and "ST. AUBIN", to lapse from their classification in Lloyd's Register of Shipping as their respective Surveys become due.

Yours faithfully,

THE SHANGHAI TUG & LIGHTER CO., LTD.
