14th November, 1919.

Dear Sirs,

H.

With reference to the case of the Twin Screw Vessel "ELBRUZ" No. 12522 in the Register Book, I enclose for your information a copy of a letter which was addressed to you from this Office on the 23rd September 1914, together with a copy of the reply received to this communication, and I may say that action in regard to the matter has been deferred by the Committee in view of the vessel having been detained in the Black Sea.

No further information respecting the vessel has been received at this Office, and I shall therefore be glad if you will get into touch with the Owners and ascertain her present whereabouts, and also when they expect to be in a position to submit her to the inspection of the Society's Surveyors.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

ANTWERP.
