Dear Sirs,

M. I have to inform you that a First Entry Report has been received from the Society's Surveyors at Newcastle on the new Steel Twin Screw Motor Vessel "ELBRUZ" from which it appears that the vessel has proceeded to your port where the machinery will be fitted on board.

To complete the survey on the hull, the engine room skylight requires to be riveted in position, and I have therefore to request that you will be good enough to give the case the necessary attention, and on completion of the work forward a report on Rpt.8 with a view to the classification of the Vessel.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

AMSTERDAM.

Secretary.
