The Special Surveys No.1 became due on these
vessels 10,30 and 11,30, respectively, the surveys on
the Machinery having been held in each case.

In reply to enquiry the Amsterdam Surveyors forward
a letter from the Owners stating that measures have been
taken in India (and are probably now completed) to have
these ships classed by the Bureau Veritas after expiration
of the last Lloyd's Certificate.

The Classing Committee had the cases before them on
Tuesday, 23rd ultimo, when they decided to give instructions
for the vessels' characters to be withdrawn from the
Society's Register Book and three dots (...) inserted in
lieu thereof, in each case, indicating withdrawal of class
at Owners' request.

1st January, 1931.
