-----

The Special Surveys No.1 became due on these  
vessels 10,30 and 11,30, respectively, the surveys on  
the Machinery having been held in each case.

In reply to enquiry the Amsterdam Surveyors forward  
a letter from the Owners stating that measures have been  
taken in India (and are probably now completed) to have  
these ships classed by the Bureau Veritas after expiration  
of the last Lloyd's Certificate.

The Classing Committee had the cases before them on  
Tuesday, 23rd ultimo, when they decided to give instructions  
for the vessels' characters to be withdrawn from the  
Society's Register Book and three dots (...) inserted in  
lieu thereof, in each case, indicating withdrawal of class  
at Owners' request.

1st January, 1931.
